

A long, single-story building with a brick base and a light-colored upper section. The building is under renovation, with large windows boarded up with plywood. The roof is flat and light-colored. The building is situated on a concrete pad.

Two large, white, rectangular objects, possibly air conditioning units or vents, lying on the ground in front of the building. They appear to be damaged or discarded.

A rectangular concrete foundation or formwork structure, possibly for a new addition or a specific part of the building's base.

A white skid steer loader with a red and black design on the side. It has the letters "MT" and the number "15" visible. The loader is parked on the grass.

A red and white construction vehicle, possibly a backhoe loader or a similar piece of equipment, parked in the background near a grassy field.

A large, leafy green tree with a thick trunk, situated on the right side of the image. It provides shade to the area around it.

A wide, light-colored gravel path or driveway leading towards the building. The gravel is composed of small, grey stones.

A bright blue sky with scattered white clouds. The clouds are fluffy and vary in size, adding depth to the scene.
