I am from Urbandale, Iowa.  
I recently graduated from Northwest Missouri State University! Go Bearcats!

## A little bit about Mr. Iwig

Hello! My name is Noah Iwig, I am so excited to be your student's Special Education teacher! I decided to go into teaching because of my passion to be in the classroom and create change in the lives of students. I am so excited to get this school year kicked off and be part of the United Community Family! I find math enjoyable because there is a process and a right or wrong answer. I am learning to enjoy reading more and more each day. I really like biographies or nonfiction books, as I enjoy learning about new things. The current book I am reading is *The Push* by Tommy Caldwell. In my free time I enjoy fishing, rock climbing, and spending time with friends/family. Again, I am so excited to be part of the United Community Family and to get this year rolling!

## My Family
