

Mrs. Kostka

STEAM
COMPUTER SCIENCE
EL COORDINATOR

ABOUT ME

I grew up in Mason City, Iowa with my parents and two older brothers. I now live in Roland, IA with my husband Rob, ten cats, two chickens, and one rabbit. Additionally, I have two leopard geckos who will join us in the STEAM room!

HOBBIES

I love tabletop board games! I enjoy traveling, camping, gardening, and spending time with family. I LOVE animals and also work at a vet clinic.

FAVORITES

Color: Green
Animal: Red Panda/Cat
Board Game: Earth & Cascadia
Vacation: Jasper National Park
Country Visited: Thailand

BACKGROUND

I attended Iowa State University (twice!) and have a B.S. in Anthropology and Environmental Studies, as well as Elementary Education with endorsements in ESL, English & Language Arts, Social Studies, and a Learning Technology Minor. I am currently working on my Computer Science Endorsement. This is my ninth year teaching and my second year at United!

FUN FACT

I have been to nine countries and four continents. It is my goal to visit all seven continents in my lifetime.
